

Unemployment Benefits Christmas Holiday Reminder!

Holiday Reminder! Due to the Christmas holiday, in order to **avoid a delay*** in the payment of your Unemployment Insurance benefit your Unemployment Insurance weekly claim will need to be filed by 4:30 pm on Tuesday, December 23, 2014 for the week ending December 20, 2014.

Claims filed after 4:30 on December 23rd will still be processed but a delay in direct deposit and/or check payments will occur.

Please note: *Payments may still encounter a short delay due to factors outside the Vermont Department of Labor's control (i.e.: postal and bank closures due to the holiday).
